

Bredal Energy Fund Scholarship Criteria and Procedures

1. The Bredal Energy Fund Scholarship is designed specifically to helping students wishing to specialize in the oil and gas sector by attending relevant courses in post-secondary institutions with a true desire to further education and demonstrates a financial need.
2. Application deadline is June 1st of each year. Applications postdated after June 1st will not be accepted.
3. The applicant must fill out the application on prescribed Application Form and email to **erinl@dvcf.org**
4. Priority will be given to students and their families that reside in the geographical area of the Town of Drayton Valley and Brazeau County.
5. Acceptance will not necessarily be based strictly upon school marks but whether or not the student has motivation and a financial need.
6. The Scholarship will be made payable to the post-secondary institution and applied to the student's tuition under the applicant's student identification number.
7. Applications must be made in the either the applicants high school graduating year or one year following.
8. Upon completion of the course, a letter must be sent to the Foundation stating how the successful applicants did with their studies.
9. All applications will be reviewed by the Drayton Valley Community Foundation Scholarship Committee
